NEW COMING IN 2016

HYDRO-X

Hydro Excavation is a safe alternative to access buried utilities by potholing or trenching with high pressure water. StoneAge now has four options available for different applications.

FEATURES:

- Angled rotating jet pattern removes more material and safely cleans around utilities (rotary only)
- Save labor hours and expensive heavy equipment costs
- Avoid risks of costly and dangerous damage to existing utilities
- Replaceable plastic shroud (rotary only)
- Rebuild kits available
